RE: PROPOSAL TO OBTAIN LICENSES FOR A MULTICLIENT SPECULATIVE SEISMIC SURVEY OVER THE ANAMBRA BASIN, NIGERIA – PROVISIONAL AWARD

Reference is made to your application dated 5th July 2024 requesting for a Petroleum Exploration License (PEL) covering an area of 8,651.79sq.km to carry out 2D and 3D seismic (geophysical data) acquisition, processing and interpretation over four (4) blocks (**OPLs 908, 910, 911, and 913**) in Anambra basin, Nigeria.

2. Following the review of your application and in accordance with mandate of the Nigerian Upstream Petroleum Regulatory Commission (**Commission**) by section 71(1) – (10) of the Petroleum Industry Act (PIA) 2021, we hereby convey the Commission's provisional award for the grant of a PEL to you for the acquisition of a new geophysical data in the four (4) blocks in line with the PIA and license the use of the data to exploration companies on a multiclient basis.

3. Kindly be informed that this provisional award is subject to the execution and conclusion of the Geophysical Survey Project Agreement between the Nigerian Upstream Petroleum Regulatory Commission and Centerpoint Data

Services Limited (CDSL), the issuance of the Petroleum Exploration License and any other condition that may be imposed by the Commission.

Please accept the assurances of my highest esteem.
